FOR IMMEDIATE RELEASE

**INNOVATIVE ENGINEERING E-NEWS BYTE:**

## **INNOVATIVE Completes Over 100 T-Mobile Hybrid Cabinet Upgrades**

**TOMS RIVER, NJ** – Innovative Engineering, Inc was retained by T-Mobile, USA to perform over 100 structural, electrical and telco site evaluations and final designs for the deployment of a Hybrid cabinets within the New York Metro area. This Hybrid cabinet enabled T-Mobile to double their radio count within the same footprint but required the site to be modified due to the increased structural and electrical loads and T1's needed.

All sites were visited and designs completed within 3 months and 3 weeks ahead of schedule.

For more information, contact Innovative Engineering at 732-240-4400 or log on to the company's website at <http://www.InnovativeEngineering.net>.
